

Rajesh Meena, IAS
Deputy Director (Sr.)
& Course Coordinator, 101st Foundation Course

Dear candidate,

Greetings from the Lal Bahadur Shastri National Academy of Administration,
Mussoorie!

The Academy warmly welcomes you to this journey of professional excellence, continuous learning, and responsible leadership. We congratulate you on this significant achievement and look forward with confidence to your meaningful contribution to the service of the nation.

As you stand on the threshold of a new chapter in Public service in your lives, we extend our heartfelt congratulations on your hard-earned success in one of the toughest examinations. Your selection into the civil services signifies not just an achievement, but a calling to embody the spirit of selfless service and unwavering dedication. The Academy congratulates you on this journey of lifelong learning and service to the nation with optimism & warm wishes.

2. Your induction into the Civil Services commences with the Foundation Course at the Academy at Mussoorie. As the inaugural stage of your professional training, the programme brings together Officer Trainees from across the civil services to cultivate a common understanding of constitutional values, public administration, and the principles of good governance. It serves as the bedrock of your professional

development, equipping you with the knowledge, perspective, and ethos essential for a career of dedicated and effective public service.

It may, however, be noted that your participation in the Foundation Course is contingent upon the final allocation of services by the Department of Personnel and Training (DoPT), GoI. As the service allocation for the Civil Services Examination–2025 is yet to be finalized, the present list of recommended candidates remains provisional and is liable to revision upon completion of the service allocation process. Accordingly, registration for the 101st Foundation Course shall be undertaken strictly on the basis of the final list of allocated candidates communicated by the DoPT. The receipt of this communication should not, therefore, be construed as confirmation of your admission to the 101st Foundation Course.

3. The 101st Common Foundation Course (FC) will commence on **August 24, 2026** (Monday) and culminate on **November 27, 2026** (Friday). You will be required to report at the Academy a couple of days prior to the commencement of course for the completion of joining formalities. Given the likely large number of course participants, the aforementioned processes will be conducted in a staggered manner over two days for smaller batches of Officer Trainees starting from **22nd August, 2026**. Details of the reporting dates and the names of those expected to report on the respective dates will be made available on the registration portal in due course. It is **compulsory** to report at the Academy on the allocated date. All Officer Trainees are required to report strictly on the date allotted to them to facilitate the smooth conduct of admission and joining formalities.

4. Where a substantial number of Officer Trainees are scheduled to arrive by the same train or flight, or within a similar time window, the Academy may arrange pooled transportation from the railway station or airport to the campus, subject to logistical feasibility. To facilitate the necessary arrangements, Officer Trainees are requested to furnish their travel details to the Academy well in advance, by the date specified for this purpose on the registration portal. Trainees are strongly advised to avail themselves of the pooled transport facility arranged by the Academy, wherever provided, as traffic congestion on the roads leading to Mussoorie, particularly in the vicinity of the Academy, may significantly impede the movement of individual vehicles.

5. Please note that entry into the Academy premises is strictly restricted. Entry is permitted only for the Officer Trainees. Any family member or accompanying person will not be allowed inside the campus under any circumstances. In view of this, Officer Trainees are encouraged to travel independently from the station or airport to the Academy or avail the pooled transport provided by the Academy.

6. A prerequisite for participation in the 101st Foundation Course is registration on the registration portal. Please peruse the enclosed instructions to register yourself for the 101st Foundation Course. **Registration is likely to open in the first week of August, 2026 and close on 14th August, 2026 (23:59 hrs.).** Further, please note that at this point, it would suffice to fill in the Descriptive Roll component of the registration form. (Other forms may be filled and documents uploaded after the allocation of service by the Department of Personnel and Training (DoPT), GoI. You are advised to visit <https://www.lbsnaa.gov.in> regularly for further updates. You may also write to us at support.lbsnaa@lbsnaa.gov.in for registration related queries).

7. Candidates seeking exemption from the Foundation Course are required to submit their request through the Academy's registration portal only. The detailed procedure for applying for exemption is provided in the enclosed registration instructions and should be followed carefully.

The Academy recognizes that some recommended candidates may prefer to await the final allocation of services by the Department of Personnel and Training (DoPT) before completing the registration process. Accordingly, in the event that the final service allocation is not notified by the DoPT before the prescribed closing date i.e 14th August, 2026, the deadline for registration will be extended. A revised schedule, if required, will be notified on the Academy's website. All other candidates may please proceed with registration forthwith and upload documents as required.

8. We are also sharing herewith a set of reference documents that will help you understand requirements and expectations from Officer Trainees on different aspects of the Foundation course (These documents will be accessible through the Academy's registration portal upon successful registration for the Course). Please peruse these documents carefully and fill the registration form: -

- i) Annexure-I:- About the 101st Foundation Course
- ii) Annexure-II:- Joining formalities and information
- iii) Annexure-III:- Clothing, dress code and miscellaneous matters
- iv) Annexure-IV:- Subscription of Clubs, Societies and Houses
- v) Annexure-V:- Check list for submission of forms/ documents

The Academy is committed to providing an inclusive, accessible, and barrier-free environment that enables specially abled candidates to participate fully and effectively

in all aspects of the Foundation Course. Course participants may please contact—support.lbsnaa@lbsnaa.gov.in for further communication on the matter.

9. It may also be noted that in addition to registration, a mandatory **“Prarambh MOOC module”** based on selected courses from IGoT is to be completed before August 20, 2026, the details of which will be sent to you. Please note that this will be part of the final evaluation. Details related to MOOC Module have to be accessed on iGOT Portal.

10. Further, it may be noted that every course participant must carry a **personal laptop** preloaded with the following applications/software:

- i) Operating System: Windows 10 /11
- ii) MS Office: MS Office 2016 or higher version. MS office should not be the starter version. It must include MS Word, MS PowerPoint and MS Excel
- iii) Project Management Software: MS Project 2016

11. The Academy will not be able to provide PCs/ laptops for the ICT classes and it is mandatory for course participants to bring their own laptops for ICT classes. Also, note that for Exams and Evaluations, only laptops will be allowed. Other devices like smartphones, ipads/ tablets etc will NOT be allowed for the same.

12. The 101st Foundation Course is designed to be an intensive and immersive programme, combining a rigorous academic curriculum with a wide range of co-curricular and extracurricular activities, field visits, and cultural, social, and outdoor engagements. The schedule will be demanding, leaving limited scope for personal time or leisure. Officer Trainees are, therefore, advised to attend to any pending personal commitments or engagements before reporting to the Academy as **the 101st Foundation Course is a NO LEAVE Course.**

13. Conduct of Civil Servants is very important for overall governance and development of the nation. You may be already familiar with the Advisory Note issued by the Academy for the recommended/ selected candidates of UPSC CSE - 2025, soon after the results were declared.

14. The 101st Foundation Course at the Academy also lays special emphasis on the conduct of the Officer Trainees. You are advised to carefully go through the various documents pertaining to the course to apprise yourself and prepare yourself according to the desired expectations.

On behalf of the Academy and the Course Team, we wish you the best and look forward to meeting you at the Academy soon.

Yours sincerely,

(Rajesh Meena)
Course Coordinator,
101st Foundation Course

ANNEXURE– I

101st Foundation Course

(August 24, 2026 - November 27, 2026)

About the Course:

The Foundation Course is the flagship training programme of the Lal Bahadur Shastri National Academy of Administration (LBSNAA), Mussoorie. It is the only programme that brings together newly inducted Officer Trainees from the All India Services and Central Civil Services into a common learning experience, designed to mark their transition from private individuals to public servants. Structured as a rite of passage, the course instills in them the foundational values, principles, and orientation essential for a career in public service.

This year's Foundation Course holds special significance as it marks the 101st iteration since the programme's inception in 1959. Over the past six and a half decades, the Course has adapted to the evolving challenges of governance while remaining deeply rooted in the core values of integrity, inclusivity, discipline, and public service.

The foundational underpinnings of the course and consequently the driving force of course design, are the values of Ability, Anonymity and Austerity that together are vital to the development of citizen servants steeped in the ethos of public service. Further, in a major thrust towards de-siloization and the whole-of-government approach that Mission Karmayogi strives towards, fostering esprit de corps among different services represented at the course is one of the vital deliverables of this Common Induction Programme. The course is so structured that group-based experiential learning, shared activities and experiences foster the

emergence of lasting, informal bonds of camaraderie that help civil servants navigate across departmental and institutional silos and deliver greater efficiency and impact.

Finally, by providing exposure to national and international thought leaders, the Foundation Course aims at broadening horizons of thought and action for young Civil Servants who must think global and act local to be effective and bring about sustainable change.

General Objectives:

The objectives of the 101st Foundation Course are:

- To orient Officer Trainees to the administrative, social, economic and political environment of the country.
- To make Officer Trainees aware of the challenges and opportunities within the Civil Services.
- To promote overall development of desirable personality traits of the Officer Trainees, including, intellectual, moral, physical and overall conduct.
- To foster greater coordination among members of different Civil Services by building esprit de corps.
- To provide exposure to the best possible teaching materials and resource persons to facilitate the Officer Trainees professional, intellectual and emotional growth.
- To provide the Officer Trainees with an environment that encourages enquiry and freedom of thought, yet imbued with discipline, and to foster

intellectual growth and all-round development.

Learning Outcomes:

At the end of the Foundation Course, an Officer Trainee will be able to:

1. Exhibit appropriate values, ethical standards, norms of behaviour and personal conduct befitting a Civil Servant who is impartial, principle-centered and value-driven.
2. Have an appreciation of the principles of good governance and their application to meet the needs of the citizens of India.
3. Display basic administrative skills, knowledge and competencies required for their job.
4. Apply concepts from the fields of economics, law, management, public administration, political theory & constitutional law and information technology to administrative situations.
5. Use Information Technology as an office productivity tool and learn the application of computer software packages.
6. Have a greater appreciation of the interrelationships between the administrative, political, economic and social environment and the implications of governmental action on the nation's socio-economic system.
7. Work in coordination with others and imbibe the *esprit de corps* of the services.
8. Appreciate the country's rich traditions, history, culture and diversity and develop an all-India perspective.

9. Develop a well-rounded personality through participation in extracurricular activities.
10. Develop a commitment to physical fitness to maintain a healthy body and mind.

Course Design:

The Foundation Course follows a modular structure for the delivery of inputs on domain, functional and behavioural competencies. The on-campus modules are interspersed with field-immersion activities such as the attachments with the Army/ CAPF, Vibrant Villages and Aarambh.

Further, outdoor activities like Local Treks, Sports, Swimming, Yoga, Zumba, Aerobics, Running and PT are an integral component of course design. The course features an extracurricular module which affords an opportunity to learn new skills outside of the academic framework. Further, cultural and sports events like the India Day, Sports Meet, Athletic Meet, Fete and One Act Play bring in the vibrancy of diversity and vigour to life at the Academy. A brief overview of the modules that constitute a part of the course structure is as below:

- 1. Deconstruction Module:** The course commences with a Deconstruction Module. The purpose of the Deconstruction module is to disaggregate the context of governance to enable Officer Trainees to deeply empathize with the myriad stakeholders and issues that they must understand and respond to in the governance ecosystem. The aim is to break the preconceived notions, if any, and sensitise the Officer Trainees about the ground reality through unlearning and relearning.
- 2. Office Procedure & Effective Management:** It acquaints the Officer Trainees with the General office procedure, writing notes and drafting official letters, handling RTI matters and public grievance redressal. Overall, it helps

them understand and streamline communication processes within the administration, efficiently handle official work in government organizations, and maintain proper file management.

3. **Law:** The objective behind learning law at the Academy is to equip Officer Trainees with the understanding, interpretation and application of basic principles of law. The module helps the Officer Trainees to understand the structure and hierarchy of courts and their functioning, ADR mechanisms, principles of contract, and get introduced to procedural practices under civil and criminal laws and some important social legislations.
4. **Basic Economics for Administrators:** The Academic input in Economics during Foundation Course aims to familiarize participants with fundamental principles governing market operations and behavioural dimension in public policy. Its objective is to enable participants to identify and comprehend the underlying mechanisms that drive market dynamics and gain a basic understanding of concepts pertaining to public policy.
5. **Urban Module:** It acquaints the Officer Trainees with a comprehensive understanding of cities, including municipal corporations, public services, urban planning, and population density. It broadly helps them understand their role as urban administrators and the key areas for effective urban development.
6. **Human Resource Management:** The module provides Officer Trainees with comprehensive insight into essential aspects of their service, acquainting them with probation rules, conduct rules, discipline, appeal rules, and the conduct of disciplinary proceedings, along with addressing various HR issues. It acquaints them with these regulations and procedures and helps

them in gaining a nuanced understanding of the nature of their service, ensuring they are well-prepared to navigate the complexities of their roles with integrity, professionalism, and adherence to established norms and standards.

7. Participatory Learning Activities & Field Immersion: During the Foundation Course, PLA plays a crucial role in field immersion, offering trainees the opportunity to reside in villages and engage extensively with rural communities to understand their concerns and priorities. PLA equips them with a structured approach, enabling a thorough study of rural life and enhancing their capacity to address community needs effectively. The diverse components of PLA empower trainees to actively engage with communities by investigating, analysing, and evaluating constraints and opportunities. This, in turn, facilitates informed and timely decision-making regarding development processes and projects. The module comprises dedicated in-class sessions covering an overview of PLA & its methods, and the remaining sessions allocated for field immersion.

8. Social media & communication: The module is designed to equip the Officer Trainees with the insights and digital tools required in this digital age. It is expected that officers trainees understand about the social media platforms and other forms of public communication platforms, their potential and influence in issue-based campaigns. Additionally, the module focuses on methods and strategies for public communication and engagement with the public. This comprehensive module aims to equip trainees with the necessary skills and knowledge for effective public interaction.

9. Leadership & Personality: The module empowers officer trainees with essential tools to become influential and adaptable leaders in their respective

fields, primarily focusing on exploring the concepts and theories of leadership, emotional intelligence in leadership, and understanding the dynamics of situational leadership.

10.Financial & Project Management: The module provides a comprehensive understanding of the principles and practices of financial and project management, aiming to equip trainees with the skills necessary to make informed decisions and proficiently manage resources. It delves into crucial areas including general principles of financial management, commercial accounting and procurement, project management tools and techniques, analysing the accounts of government societies and cooperatives, and understanding variances between physical and financial progress in the completion of a public sector project.

11.Negotiation: It enriches the knowledge of negotiation skills in order to enhance effectiveness at the workplace. It enables the Officer Trainee to prepare effectively for negotiations- theory and practice – and to analyse various negotiation situations and sustainable deal design.

12.National Security: The National Security module offers officer trainees a holistic perspective on the intricate security dynamics prevalent in sensitive and remote regions of the country. By engaging in thorough analysis, examining case studies, and participating in meaningful discussions, trainees develop a comprehensive understanding of these complex security challenges. Their expertise and capabilities will play a vital role in ensuring the security and safety of the country and its citizens.

13.Ethics: The module aims to cultivate a strong ethical foundation and equip the Officer Trainees with the necessary tools to navigate complex ethical

dilemmas they may encounter in their roles. The module covers fundamental ethical theories and principles, encouraging critical thinking and reflection. They learn to identify ethical challenges, analyse the implications of different courses of action, and make informed decisions that prioritise ethical considerations.

14. Viksit Bharat talks: The Foundation Course features a series of weekly talks by distinguished speakers addressing various issues of national and global interest, with a particular focus on topics such as good governance, Indian economy, gender roles and insights from eminent personalities including Nobel Laureates, Bharat Ratna recipients, and Padma Awardees. Through these sessions, participants will have the opportunity to gain valuable insights, broaden their perspectives, and engage in thought-provoking discussions aimed at enriching their understanding of key contemporary issues and fostering a deeper appreciation for diverse viewpoints and experiences.

15. Information Technology: Given the transformative impact of Information Technology, the Foundation Course places a strong emphasis on practical computer knowledge to equip Officer Trainees with the required digital skills and tools to maneuver this digital era. By the culmination of the course, trainees will have acquired proficient computer handling skills, including typing proficiency and familiarity with diverse software applications, enabling them to navigate and leverage technology with confidence in their professional pursuits.

16. Citizen Centricity and Good Governance: The module places citizens' needs, interests, and well-being at the forefront of public administration, emphasising the importance of Janbhagidari and citizen engagement to foster a sense of pride, ownership, and enthusiasm among the public. It also focuses

on public grievance redressal and public service delivery, aiming to ensure ease of living for citizens. Trainees will acquaint themselves with these concepts and practices throughout the sessions provided.

Out-of-campus components

- 1. Field Immersion Programme:** The comprehensive “**Field Immersion Programme**” within the Foundation Course is significant not only because it exposes Officer Trainees to the grass- root realities of India through structured study but also offers them the opportunity to engage extensively with citizens, gaining insights into their concerns and priorities.

In addition to rural exposure, the program emphasises the importance of urbanisation and the needs of urban areas. In the urban component of the Field Immersion, the trainees will visit the district headquarters and associated urban local bodies, followed by visits to larger panchayats and eventually smaller villages. The objective of this revamped program is to assess and understand daily life in villages as well as urban areas across the country.

Methodology:

The Officer Trainees will be given inputs on Data Collection & Analysis, Rural development programs, Social sector, Role of NGOs, PRA techniques, etc. to equip them adequately for the visit. Officer Trainees are expected to conduct a survey in the field as per the guidelines provided to them. In turn, they will submit individual and group reports containing the activities, executive summary, findings and recommendations and make group presentations, which will be graded on both the data collected and

the quality of analysis.

2. Himalayan Study Tour: The study has been designed to give a broad understanding of life in border and hilly areas. It has 3 components, with the objective to expose the Officer Trainees to the ways of life in the frontier villages and, at the same time, provide an exposure to the work of the border guarding forces.

a. The Himalayan Trek: Exposure trek for team building & nature immersion. The three-day trek to remote hilly locations is designed to cultivate esprit de corps among Officer Trainees while promoting physical fitness, mental alertness, resilience in facing adversities, and fostering strong team building. By challenging trainees to navigate rugged terrain, overcome obstacles, and collaborate effectively, this initiative aims to strengthen bonds, build character, and enhance individual and collective capacities to tackle challenges in both professional and personal spheres.

b. Attachment to Vibrant villages: The visit to remote hilly villages to sensitise trainees to the hardships faced by citizens in remote areas and explore opportunities for promoting border tourism and initiating livelihood activities to uplift the standard of living in these remote areas. By identifying and leveraging the unique cultural, natural and geographical assets of these regions, this initiative seeks to create sustainable economic growth, empower local communities, and enhance the overall well-being of the inhabitants with outcomes such as economic diversification, economic upliftment, cultural preservation, promoting security and infrastructure development and community

empowerment.

c. Attachment with the Armed Forces and Central Armed Police Forces (CAPF):

The attachment with the armed forces aims to foster better understanding, cooperation and synergy between civilian officers and armed forces. By experiencing the operations, culture and challenges of the armed forces first-hand, officers can gain valuable insights that enhance their ability to collaborate effectively in areas of mutual interest. The desired learning will be enhanced collaboration, shared learning, network building and national security awareness.

- 3. Ekta Diwas:** All Officer Trainees will travel to Ekta Nagar, Gujarat for the Ekta Diwas event. Apart from visiting Statue of Unity, the iconic tribute to the Iron Man of India - Sardar Vallabhbhai Patel, the trainees will have the opportunity to listen to some of the exemplary leaders deliberate on issues of national and global relevance, and also become a part of the Ekta Diwas celebrations. They will also have an immersive experience in and around the places.

Foundation Course - Skill Enrichment Components

- 1. ECM Module:** Weekly opportunities to learn and/or provide avenues to express one's creativity are also an integral part of the campus activities. Opportunity to pick up skills in Dance, Guitar, Photography, Painting/Sketching, Vocal Music, Baking/Cooking, Drums, Theatre/Acting will be provided. The Academy engages experts in these fields for the benefits of the Officer Trainees and the best use of their availability must be made.
- 2. Counsellor-led group sessions:** All Officer Trainees will be divided into

groups. Each Group will have one or more faculty members associated with them as mentors/ guides. Inter – Tutor Group competitions will take place for events such as athletics. Individual achievements of group members will also go towards the assessment of the best group at the end of the Course.

- 3. One Act Play, Bharat Diwas, Amritotsav & Cultural programs:** A variety of cultural activities for Officer Trainees are organised during the Course, prioritising group participation to foster esprit de corps and break regional and linguistic barriers. These activities include cultural evenings, Bharat Diwas, One Act play & Amritotsav. Eminent artists are invited to perform, enriching the appreciation of Indian culture's diversity. A significant highlight is “Bharat Diwas,” where trainees showcase the diverse culture, customs, arts, and cuisine of India's regions, fostering national pride and cultural sensitivity. Additionally, the One Act Play competition provides Officer Trainees a platform to express their theatrical talents. Through these activities, trainees gain an appreciation for the richness of Indian culture while strengthening community bonds.

Fitness and Health Pedagogy:

Fitness and Health pedagogy predicated on the objectives of promoting endurance, strength, stamina and flexibility, is one of the cornerstones of the course design of the Foundation Course. All Officer Trainees have to undergo a mandatory series of well-designed combinations of outdoor activities and will be tested at the end of the course. The following components will be part of the fitness program:

1. Pre-course, mid-term and course completion assessments
2. Intervention via physical fitness activities at the Academy
3. Monitoring of progress

In line with the mandate of Mission Karmayogi, the fitness journey of Officer Trainees at the Academy commences with pre-course fitness assessment. As a part of morning activities, structured regimes have been designed to enable Officer Trainees to work on core competencies of stamina, endurance, strength & flexibility. The Officer Trainees are mandated to complete the tasks on above four parameters by the end of the course.

Outdoor and Fitness

- 1. Sports:** The Academy has a well-equipped gymnasium, indoor swimming pool, tennis courts, badminton courts, squash courts, table tennis and horse riding facilities. Coaches from Sports Authority of India and other institutions have been engaged to provide proper coaching and Officer Trainees must make the best use of their presence. The Academy has excellent facilities for horse riding. Riding helps to enhance confidence, courage, risk taking and reduces the fear of the unknown.
- 2. Athletics Meet:** This is a major event during the Foundation Course and participation of all Officer Trainees is mandatory. At this Meet, various track and field events like 100 mts, 200mts, relay races, high jump, long jump, shot-put throw etc. are organized. It is an occasion for Officer Trainees to test and display their athletic prowess, which in turn will contribute to Tutor group points.
- 3. Sports Meet:** A house event will transform the serene campus into a hub of sports and competitive spirit. It features a diverse array of intense team sports like cricket, basketball, volleyball etc. Beyond fostering physical fitness and agility, the sports meet is a cornerstone for building camaraderie and teamwork among the Officer Trainees.

- 4. Cross Country Run:** The race meanders through varied terrains, from forest trails and grassy fields to the hilly landscape of Mussoorie. As a house event, it tests physical and mental resilience to foster a sense of accomplishment and camaraderie among Officer Trainees.

Conduct:

As the youngest officers of the civil services, it is expected that the Officer Trainees will display the highest standards of professionalism. The Academy will hold the Officer Trainees to those standards for the entire duration of the Course. A thorough and comprehensive explanation of the code of conduct in the Academy will be given to every Officer Trainee during the course briefing. The Shishtachar and Course Manual elaborate in detail about the do's and don'ts. Any infraction will be dealt with strictly as per established procedures.

Some acts of indiscipline include: -

1. Turning up late for mandatory sessions
2. Unauthorized absence from mandatory sessions
3. Turning up late in class/other scheduled activities/events
4. Unauthorized absence from class/ other scheduled activities/events
 - Conduct/behavior unbecoming of an Officer (including turnout)
 - Willful disturbance in class/other scheduled activities (Talking/ unruly behavior or disturbance/ reading / sleeping)
 - Misbehavior towards the academy staff

Social Media

The term 'Social Media' referred to herein includes any web or mobile-based platform that enables an individual or agency to communicate interactively

and to exchange user-generated content. The following guidelines for the use of social media are made in conformity with the Framework & Guidelines for Use of Social Media for Government Organizations by the Department of Electronics and Information Technology, Ministry of Communications & Information Technology in the Government of India. All Officer Trainees are mandated to adhere to these guidelines strictly:

Pictures/Videos and Digital Content of any kind:

- Taking pictures/videos of the classrooms or any pictures/videos during any class is strictly prohibited.
- In general, outside class, while taking pictures/videos seek permission of the persons who are being photographed or video graphed.

Sharing Pictures/Videos and Digital Content

- Sharing digital content that involves/includes the Academy campus and/or activities organized by the Academy during the training period, on any social media platform is to be avoided as these are in the nature of official premises/activities.
- The digital content referred to above includes but is not restricted to posts (in any of the forms mentioned above) of the rooms allotted in the Academy's hostels to Officer Trainees, the kits, food, official visits, any other articles or study material given to the Officer Trainees during their training period or a post including any of the above.
- Once you are in the civil service, you are thrust into the public eye. Nothing you say or share is personal anymore. Therefore, think before posting and forwarding it. Officer Trainees are urged to keep in mind

that inappropriate content that embarrasses/violates Government rules and regulations can be construed as misconduct. Therefore, it is in the interest of Officer Trainees that they read and know the Conduct Rules very well and also that they do this before engaging in any social media activities.

- Consider the content carefully. With cell phones, the urge to post immediately is high. Please note that once you post some content on social media, it hardly takes a few seconds for it to go viral. There is no way to delete it even if later you want to.
- Do not blindly share or forward content whose veracity is not confirmed. It is best to use discretion in all such cases.

Digital Shistachar

The Academy has strict ‘No digital’ zones where usage of gadgets and in particular mobile phones is restricted. Besides, the Academy follows strict protocol regarding usage of mobile phones. All Officer Trainees are expected to follow the same.

ANNEXURE– II

Joining Formalities and Information for the 101st Foundation Course

This document contains details regarding the joining formalities for the 101st Foundation Course and other relevant information to facilitate your preparation to report for the Foundation Course at the Academy.

1. Course Details

- i. Course Duration: 14 Weeks
- ii. Date of Arrival at the Academy : 22nd- 23rd August, 2026
- iii. Course Inauguration and commencement of classes: The 101st Foundation Course will officially commence from August 24th, 2026. The programme details for the formal course inauguration will be circulated separately. The dress code for the inaugural programme will be Ceremonial.

2. Arriving at the Academy

Location of the Academy:

The Academy is situated on Company Bagh Road and is about 2 kms from the Library Point in Mussoorie. The nearest railway stations are at Dehradun (35 kms) and Saharanpur (100 kms), while the nearest airport is Jolly Grant Airport, Dehradun (60 kms). Dehradun also has an ISBT (Inter State Bus Terminus) with regular services from all major cities of North India.

a) Reaching the Academy from Dehradun

- i. If you arrive at the Dehradun Airport (also known as Jolly Grant Airport) which is located approximately 22 km southeast of Dehradun and 60 kms from Mussoorie, you can take a direct taxi to the Academy. Driving time is around 2 hours.
- ii. If you arrive by bus at Dehradun Inter-State Bus Terminal [ISBT], you can take a taxi or bus to Mussoorie. Buses for Mussoorie are available both from Mussoorie Bus Stand near Railway station or from ISBT. Driving time is around 1 hr 30 minutes.
- iii. If you arrive at Dehradun by train, you can take a taxi or any public transport from the railway station to the Academy.
- iv. If a considerable number of officer trainees are arriving by the same train or flight, or at similar timings, the Academy will explore the possibility of arranging a pooled vehicle/ bus or tempo traveller from the railway station / airport to the campus. To facilitate smooth arrival and logistics, you are also requested to share your travel details with the Academy well in advance, before the date prescribed by the Academy. It is strongly advised to avail such pooled transport as the roads in Mussoorie and more particularly near the Academy could be heavily congested if all the participants choose to come by individual vehicles.

3. Entry into the Academy Campus and process of joining

For your convenience, the Academy has divided your joining process into following steps:-

Step 1: Reporting at the respective allotted accommodation

- i. You will report directly at the Check-in Counter and show the following two documents: i) a valid photo Identity (ID) card, and ii) original appointment letter received from DoPT. Directions and signage will be put up at appropriate locations to facilitate your arrival.
- ii. On the day of arrival at the Academy (22nd - 23rd August, 2026) only individual Officer Trainees will be allowed access to their respective venues/accommodations. **The Academy will not be in a position to allow access to any relatives/ parents accompanying the Officer Trainees to Mussoorie into the Academy premises** or make arrangements for their stay and boarding.
- iii. For specially abled Officer Trainees, necessary facilities will be available. A request for these facilities can be made at the main gate.

Step 2: Joining Formalities

- i. At the time of online registration, you are required to fill/complete all the forms/documents pertaining to **Envelope–1**, download them, and bring the duly signed hard copies in **Envelope–1** while reporting to the Academy.
- ii. For **Envelope–2**, you are required to download all the prescribed forms/documents, complete them, upload the duly signed and scanned copies to the online registration portal, and also bring the duly signed hard copies in **Envelope–2** at the time of reporting to the Academy.

The checklist of the forms/documents to be submitted in **Envelope–1** and **Envelope–2** is provided in **Annexure–V**.
